#### **OFFICE FRONTS | GLASS WALLS**

CARVART offers several diverse and aesthetically progressive options for glass office front partition systems. Minimal, frameless looks or fully framed solutions—both are high on privacy and acoustics without losing aesthetic integrity.

Simple - Minimal profile with a framed design

Simple Double - Two complementary or contrasting panes of glass, providing the highest acoustic quality

# MOVEABLE GLASS WALLS

#### MOVEABLE | GLASS WALLS

Movable (or Operable) walls allow for space to be divided or opened as desired. All CARVART Moveable walls are top-hung, preventing unnecessary floor barriers. CARVART offers eight unique movable wall products, all available with unique parking lot details and featuring clean sight lines and floor bolts for a dust-proof strike.

Multi-functional divider systems that allow spaces to be easily reconfigured to adapt to changing workplaces. Non-construction based, freestanding, and demountable solutions. Walls function as writable surfaces and can create safe workspaces.

glassCUBE - Non-construction based, freestanding, and demountable solution. Transitions without any major disruption to the building structure and is easy to relocate and install as spatial needs change.

glassPOST - Non-construction based multi-functional divider system that allows spaces to be easily reconfigured to adapt to changing workplaces. Offered in CARVART's full range of colors, finishes, and configurations.
